## Engagement of App On Radar Inc.

Dear **Jason James Thompson**

This letter will confirm that **Jason James Thompson** representing MIND TALKS Mobile Application (the “Client”) has retained App On Radar Inc. (“App On Radar”) to perform the Engagement described below. This Engagement Letter (the “Letter”), along with the attached Standard Terms of Engagement (the “Standard Terms”) and any additional attachments, comprise the Engagement Agreement (the “Agreement”) between Client and App On Radar Inc and explain the terms under which App On Radar Inc will provide the Services to Client in this matter.

**Scope of Work.** The client has engaged App On Radar Inc to design, develop, and deploy the MIND TALKS Mobile Application for Android, IOS, and Admin Panel in accordance with “MIND TALKS APP pptx”, App On Radar agrees to deliver the following software and all its rights to the client.

**Work-For-Hire’ and Intellectual Property Rights.** Upon completion of the Engagement and further upon Client’s payment of App On Radar’s final invoice, App On Radar shall deliver to Client (electronically) the source code, object code, and other resources that were created for Client pursuant to the Engagement (“Work-For-Hire”). All right, title and interest, whether based in copyright, patent, trademark or other proprietary rights, in and to any information, data and materials provided Client, or created on behalf of Client, in any form that is subject of the Engagement will be owned solely by **Jason James Thompson**

**Timeline.** App On Radar Inc agrees to complete the scope within 120 business days tentatively.

**Client Contact.** Client has agreed that **Jason James Thompson** (Self) will be the contact person (“Contact”) for Client throughout the duration of the Engagement, that Contact has the

authority to provide instructions to App On Radar Inc, and that all Invoices should be sent to Contact for processing and payment.

**Fees.** App On Radar Inc’s fee for this Engagement is \$14,500 one-time, and shall be due as follows:

Milestone	Date	Amount
Project Kick-Off	At the signing of the contract	\$2,500
UI/UX Design Submission		\$3,000
Alpha Phase Delivery		\$4,000
Pre Beta Phase Delivery		\$3,000
Beta Phase Development		\$2,000

App On Radar Inc. will issue Invoices in accordance with the amounts and schedule set forth above (“Invoices”). Payment is due upon receipt of the Invoice.

**Future Engagements.** If Client asks App On Radar Inc to take on an additional assignment or resources in the future, the terms in the Agreement will cover such later assignment(s), unless Client and App On Radar Inc reach a separate understanding, which understanding will be reflected in a separate writing, which may include e-mails and meetings.

**Conclusion.** If a client has any questions about the agreement, please contact App On Radar Inc as soon as possible. Client acknowledges its acceptance to the terms in the Agreement and its receipt of the Standard Terms by signing one copy of the Letter and returning the signed copy to App On Radar Inc at its earliest convenience. This Agreement will take effect on the date of Client’s signature or when App On Radar Inc first performs the services for Client, whichever is earlier.

We appreciate the opportunity and privilege to serve you!

Sincerely,

A handwritten signature in cursive script that reads "Clive Love".

Clive Love  
Sr. Product Strategist

App On Radar Inc
